2017

Legalization vs Regulation

- established May 2018
- main idea: "To boost the cooperation and know-how of the Czech hemp and medical cannabis industry."
- 12 member organizations including Farmers, Education, Research & Development, Producers, NGO's

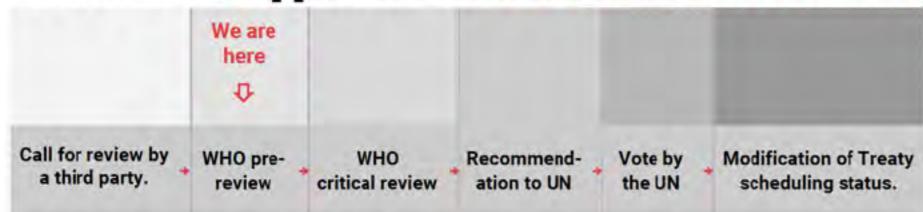

This year for the first time, the World Health Organization is assessing the medical uses and harms of Cannabis, and will recommend the suitable scheduling to be applied internationally.

CANNABIS SCHEDULING WILL CHANGE!

Our NGO promotes an objective and independent assessment, that recognizes and acknowledges modern research on Cannabis.
